

Cloud Appreciation Day

At Lordship Hub

in the world's first 'Cloud Appreciation Park', Lordship Rec,
Higham Road, N17 6NU

A day of Cloud related activities for all!
Saturday, September 16th, 12.30-5pm

- 12.30 View the **Luke Howard exhibition**
- 1-1.30pm **An introduction to clouds** - understanding how they are made and named and why they are important.
- 1.30-3pm **Free Cloud Drawing Workshop: Skies and Skylines** with an introduction by artist, Mary Yacob. Drawing outside in the park.
- 3-4pm **The Luke Howard Weather Station & Climate Change** - What do we know and what can we do?

Refreshments from the Lordship Hub Cafe

Children's Activities

- 2-4pm Discover the different kind of clouds, what they mean and how we can use them to predict the weather through observation, games and crafts.
Create a **cloud in a jar** and create your own **cloud art**.
- 4.30-5pm **'A Human Cloud!'** - Join in a performance with sheets mirroring what is happening in the sky. **ALL ages welcome to take part.**

Organised by Tottenham Clouds, Supported by Lordship Hub
